MEDIA RELEASE

Stressing the importance of good nutrition, the Tomah Area School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-priced school meals are unavailable. Free meals will be made available to eligible children, 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

This program will once again be held at the Tomah Middle School which is located at 612 Hollister Avenue and will start on Monday, June 4, 2012 and will continue through Friday, August 17, 2012. The program will operate Monday through Friday and the serving times will be from 7:45 a.m. – 9:00 a.m. for breakfast and 11:15 a.m. to 12:45 p.m. daily for lunch. We will be closed July 4, 5, and 6th 2012 for the 4th of July Holiday. Please use the Clark Street entrance to go directly into the cafeteria. The door will be designated with a special poster. No need to sign up or apply for this program. Just come and enjoy a tasty and nutritious meal. Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of the meal service. Adults are welcome to attend as well and will be charged a small fee of $1.75 for breakfast and $2.50 for lunch.

Winnebago Park will also be used as a site on Wednesdays starting June 6, 2012 and ending August 1, 2012. The Winnebago Park site will only be open on Wednesdays and will only operate if weather allows. If Winnebago Park is closed you will still be able to eat lunch at the Middle School.

This program can help fill a need for breakfast and lunch meals during the summer when schedules are hectic and busy, so please join us for a nutritional meal. We hope to see you during your meal service, buen provecho!
