5. At this point, you can search for books, videos, etc. If you want to see/read our ebooks, click the FollettShelf button on the left side of the screen.

6. You can also browse the ebooks in Destiny. Change the Material Type to Electronic Book (ebook) in the dropdown menu. Then click inside the Find box (don't type anything) and hit Enter on the keyboard. This will bring up all the ebook records.

7. Remember that each ebook can only be checked out for 14 days. You can put ebooks on hold. Once a book you have on hold is available for you, there will be a message in your FollettShelf account. The hold will expire 5 days after it is available to you.
